COMPLETE HARMONY IN THE DEMOCRACY

National Contest Next Year.

A week ago The Journal printed dispatches from its correspondents in several of the judicial districts in the State, showing that the Democratic party is united and harmonious. The dispatches that follow complete the canvass of the State.

Nowhere can a discordant note be found.

BRIGHT OUTLOOK IN THE SOUTHERN TIER.

ELMIRA, Sept. 30.—The spirit of har-L mony which animates the Democrats of the Sixth Judicial District is manifest by the determination of the party to place In nomination a candidate for Supreme Court Justice this Fall.

This district includes the countles of

This district includes the counties of Broome, Tioga, Chemang, Schuyler, Chemango, Cortland, Madison, Delaware, Ottego and Tompkins. In times past it has been the custom of the Democrats to allow the Supreme Court Judgeship to go by default to the Republicans.

Gwing, however, to the dissensions in the Republican party, caused by the arbitrary and dictatorial action of Thomas C. Platt in foreing to the front his candidate, Judge Sewell, the Democrats have decided to place a strong candidate in the field against the Platt nominee.

The Democrats hold that the judiclary

The Democrats hold that the judiciary mould be let alone, and resent the notion that a Supreme Court Judge should owe his losition to the favor of a political boss.

Another cause for dissatisfaction is the ppointing of Justice Walter Lloyd Smith to the Appellate Bench by Governor Rooselet against the wishes of the Justice and nopposition to the desires of the people of Chemung County, freespective of party, who wished to have him remain in Elmira. As it is likely that the Democratic justical candidate will come from Chemung Jonnty this sentiment is bound to have nuch weight in determining the choice of Supreme Court Judge.

John B. Stanchfield said: "There is no loubt of the unity of the party in this ection on the judiciary nomination. The pirit of harmony pervades every section of the party throughout this judicial distinct."

Judge Taylor said: "I am hearfily in Judge Taylor said: "I am hearfily in

interparty throughout this judicial disiet."
Judge Taylor said: "I am heartly in
avor of a nomination by my party of a
andidate for the Supreme Court Judgeip in this district. I believe it would
rengthen the party in this locality and
d in the election of local candidates, I
ink the judiciary should be taken out of
olitics. The Democratic party has twice
dorsed the Republican judicial candidate
i this district, and if the Republicans
are animated by a desire to remove the
ench from politics they would indorse
be Democratic ticket, especially if the
indidate happens to be a resident of this
ty.

"My belief is that absolute har-ony prevails in the ranks of the emocratic party in this district, id there is but one sentiment upon is subject."

UPTOWN TAMMANY NA LEADERS ALL IN LINE.

T HE Tammany leaders to a man in all the uptown districts announce that they are out for harmony in the fullest

meaning of the word.

Percy Nagle, leader in the Thirty-fourth Assembly District, said:

"Harmony is the secret of success. It means union, and in union is victory. I am with Mr. Oroker. Whatever orders come ap from Fourteenth street will meet with

ng be assured his intimate friends that was in line with the Tammany organizan. He is very close to John Whalen and Croker.

The Thirty-first Assembly District has in a hard problem for election day. In urteenth street they could never undernd why it was not carried for Tammany II. Isnac A. Hopper, the newly elected der, promises to make it go Democratic selection.

The district is compared of the countries of the countries of the countries.

will only consider their slate.

The latter may put Daly on, but they do much of a Platt man to suit them. He demonstrated his weakness a year ago, when he was a running mate with Judge Daly and ran nearly 10,000 less votes behind.

Varnum may be accepted. Blanchard may be also. But Tom Hamilton or Charlle Murray, never! say the Goo Goos.

Both Hamilton and Murray made such reputations as Police Commissioners that Mayor Van Wyck and Mayor Strong found his necessary to remove them. Hamilton has been a standing Republican candidate. With last the other place if he concludes to become a candidate. With Barrett as a way in the collect of the control of the district in the place of the court of speral Sessions.

While the Tammany slate is by no means to make it go Democratic his election.

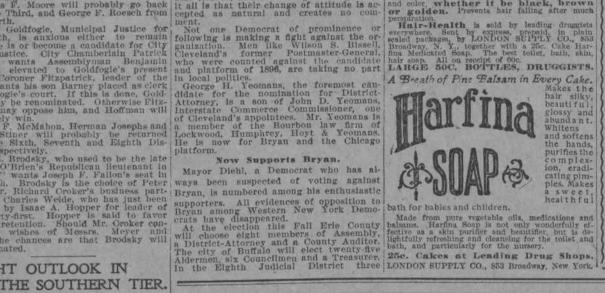

The nake it go Democratic this check it go Democratic his election.

The latter may put Daly on, but they do more want and first may be also were them. He demonstrated his weakness a year ago, when he was a running mate with Judge of thirty-eight, who will run the district. That committee will be a commistate of the district.
